The Itsy Bitsy Spider

*The itsy bitsy spider went up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain.
Then the itsy bitsy spider went up the spout again.*

*Okay...put your fingers together.
Let's do The Itsy Bitsy Spider.*

The itsy bitsy spider went up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain.
Then the itsy bitsy spider went up the spout again.

A little faster now.

The itsy bitsy spider went up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain.
Then the itsy bitsy spider went up the spout again.

Now let's try it slow, with a low voice.

And a big, big spider.

The big, big spider went up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain.
Then the big, big spider went up the spout again.

I like to camp

I like to play

I like to dance

What do you like to do in the summer?
